PETITION UNDER 37 C.F.R. §1.181 TO EXPUNGE ASSIGNMENT RECORDS

Sir:

Applicant respectfully requests that the Assignment recorded at Reel 015688, Frame 0655 from the Assignor, Hoi-Sing Kwok, to the purported Assignee, Shenzhen Dicheng Technology Company Limited, be expunged from the records of the Patent and Trademark Office.

At the time that the Assignment was executed, there was an intent to establish a company in the name of the purported Assignee. However, that transaction was never completed, and therefore no legal entity existed in the name of Shenzhen Dicheng Technology Company Limited that could hold rights in the application.

It is respectfully submitted that none of the normal procedures for correcting errors in recorded assignments or cover sheets, as set forth in M.P.E.P. §323.01(a) through §323.01(c) are applicable to this particular set of circumstances in which a legal transfer of rights was not possible, and therefore will not provide the petitioner with adequate relief.

It is respectfully submitted that the requested expungement will not adversely affect the integrity of the assignment records, as there has been no assignment in fact, since there was no legal entity to which the rights in the application could be transferred.

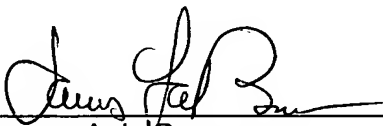

For the foregoing reasons, it is respectfully submitted that the expungement of the Assignment records is the only appropriate relief, and is therefore respectfully requested. This Petition is accompanied by a check in the amount of \$130 to cover the fee under 37 C.F.R. §1.17(h).

Respectfully submitted,

BUCHANAN INGERSOLL PC
